COBRA POWER INVERTERS

Cobra's Power Inverter Line Revolutionizes The Power Inverter Category With An Unsurpassed Combination Of Power, Reliability, & Value Added Features. Features Include: USB Output To Power/Charge iPods, Blackberrys, etc. Pentagon Protection, Thermal Shutdown, Reverse Polarity Protection, Over Voltage Shutdown, Low Voltage Shutdown, Low Voltage Alarm.

CPi480	400w	Call For Price
---------------	------	----------------

400w Power Inverter - 400w Continuous/ 800w Surge, USB Output, 2 AC Outlets. Includes Cigarette Lighter Cord and Direct To Battery Cables.

CPi880	800w	Call For Price
---------------	------	----------------

800w Power Inverter - 800w Continuous/ 1600w Surge, USB Output, 2 AC Outlets. Includes Direct To Battery Cables.

CPi1000	1000w	Call For Price
----------------	-------	----------------

1000w Power Inverter - 1000w Continuous/ 2000w Surge, Volt/Watt Meter, USB Output, 2 AC Outlets. Includes Direct To Battery Cables.

CPi1575	1500w	Call For Price
----------------	-------	----------------

1500w Power Inverter - 1500w Continuous/ 3000w Surge, Volt/Watt Meter, USB Output, 3 AC Outlets.
