

DEPEND ON THE DATA: 4G AND LAPTOP

More and more, cellphones are used for downloading and uploading data. 4G connectivity is all about data speed and SureCall boosters have a solution for every major carrier: Verizon, AT&T, T-Mobile and Sprint. As 4G and LTE becomes standard, maximizing data speed will become as important as clear voice reception. With this in mind, Cellphone-Mate provides products which anticipate the future of cellular technology and users' needs. For business, more and more companies are relying on remote monitoring of all kinds for commercial fleets in the field. Our SureCall direct-connect 2G/3G/4G solutions provide the most reliable solutions available.

FORCE5 2.0

SCPOLY0720DKIT **4G Force5 2.0 Omni/Dome Kit** - 72dB Five Band Booster Kit (25000 sq ft)
Includes 72dB booster, 30' & 75' coax, outdoor omni antenna and indoor dome antenna

SCPOLY0720PKIT **4G Force5 2.0 Omni/Panel Kit** - 72dB Five Band Booster Kit (25000 sq ft)
Includes 72dB booster, 30' & 75' coax, outdoor omni antenna and indoor panel antenna

SCPOLY072YDKIT **4G Force5 2.0 Yagi/Dome Kit** - 72dB Five Band Booster Kit (25000 sq ft)
Includes 72dB booster, 30' & 75' coax, outdoor yagi antenna and indoor dome antenna

SCPOLY072YPKIT **4G Force5 2.0 Yagi/Panel Kit** - 72dB Five Band Booster Kit (25000 sq ft)
Includes 72dB booster, 30' & 75' coax, outdoor yagi antenna and indoor panel antenna

SC-5000-80-RM **4G Force5 2.0 Industrial** - 80dB Five Band Booster Kit (80000 sq ft)
Requires additional carrier approval to install. Contact SureCall for details

FUSION5X

SCPOLY5X720DKIT **4G Fusion5X Omni/Dome Kit** - All-Carrier Cellular Booster (20000 sq ft)
Includes booster, 30' & 75' coax, outdoor omni antenna and indoor dome antenna

SCPOLY5X720PKIT **4G Fusion5X Omni/Panel Kit** - All-Carrier Cellular Booster (20000 sq ft)
Includes booster, 30' & 75' coax, outdoor omni antenna and indoor panel antenna

FUSION5S

SCPOLYSH0720DKIT **4G Fusion5s Omni/Dome Kit** - 72dB Five Band Booster Kit (6000 sq ft)
Includes 72dB booster, 30' & 50' coax, outdoor omni antenna and indoor dome antenna

SCPOLYSH0720PKIT **4G Fusion5s Omni/Panel Kit** - 72dB Five Band Booster Kit (6000 sq ft)
Includes 72dB booster, 30' & 50' coax, outdoor omni antenna and indoor panel antenna

SCPOLYSH072YDKIT **4G Fusion5s Yagi/Dome Kit** - 72dB Five Band Booster Kit (6000 sq ft)
Includes 72dB booster, 30' & 75' coax, outdoor yagi antenna and indoor dome antenna

SCPOLYSH072YPKIT **4G Fusion5s Yagi/Panel Kit** - 72dB Five Band Booster Kit (6000 sq ft)
Includes 72dB booster, 30' & 75' coax, outdoor yagi antenna and indoor panel antenna

FUSION4HOME

SCPOLYH720PKIT **4G Fusion4Home Omni/Panel Kit** - All-Carrier Cellular Booster (3000 sq ft)
Includes booster, 20' & 50' coax, outdoor omni antenna and indoor panel antenna

SCPOLYH72YPKIT **4G Fusion4Home Yagi/Panel Kit** - All-Carrier Cellular Booster (4000 sq ft)
Includes booster, 20' & 50' coax, outdoor yagi antenna and indoor panel antenna

VEHICLE CONNECTION

Safely communicating via cellphone is a way of life these days. Unfortunately, so is spotty reception. SureCall's compact booster kits provide consistent cellular reception with hands-free devices compatible with Bluetooth. Our compact boosters provide big reception in a small package that can fit unobtrusively in any car, truck, van or RV cab. Able to connect with cell towers 50 miles away, you can stay connected for personal, business or emergency reasons. There are SureCall solutions for direct connect remote data monitoring for commercial fleets that require constant connection.

FUSION2GO 3.0

- SC-FUSION2GO3** **Fusion2Go 3.0 Kit** - 50dB All-Carrier Booster Kit
Includes Flex2Go 3.0 Booster, Magnetic Antenna, Patch Antenna and DC Adapter
- SCDUALM50KIT** **Flex2Go Kit** - 50dB Dual Band Mobile Booster Kit
Includes Flex2Go 50dB Booster, Magnetic Antenna, Patch Antenna and DC Adapter
- SCTRIVM50KIT** **4G TriFlex2Go-V Kit** - 50dB Tri-Band Verizon Mobile Booster Kit
Includes TriFlex2Go-V 50dB Booster, Magnetic Antenna, Patch Antenna and DC Adapter
- SCPOLYM250RVKIT** **4G Fusion2Go RV Kit** - 50dB 4G LTE Mobile Booster Kit
Includes Fusion2Go RV 50dB Booster, Roof Mount Antenna, Interior Whip Antenna and DC Adapter

ROOM OR HOME RECEPTION

With a SureCall booster home kit, you don't have to wander outside or around the house to get cell reception. SureCall boosters and antenna kits ensure clear and consistent cellular coverage wherever you need it. The only choice you have to make is whether to cover a room/home office or your whole house. Along with the booster, our kits provide you with a weather resistant outside antenna and a neutral-colored, omni-directional inside antenna that blends with almost any décor and enough cabling to install your booster system wherever you need. Our personal kits come in 55dB and 62dB depending on how much area you wish to cover, be it room or a whole home.

FLEXPRO

- SCDUALHO720DKIT** **FlexPro Omni/Dome Kit** - 72dB Dual Band Booster Kit (6000 sq ft)
Includes FlexPro 72dB Booster, Omni-Directional Antenna, Dome Antenna and AC Adapter
- SCDUALHO720PKIT** **FlexPro Omni/Panel Kit** - 72dB Dual Band Booster Kit (6000 sq ft)
Includes FlexPro 72dB Booster, Omni-Directional Antenna, Panel Antenna and AC Adapter
- SCDUALHO72YDKIT** **FlexPro Yagi/Dome Kit** - 72dB Dual Band Booster Kit (6000 sq ft)
Includes FlexPro 72dB Booster, Yagi Antenna, Dome Antenna and AC Adapter
- SCDUALHO72YPKIT**** **FlexPro Yagi/Panel Kit** - 72dB Dual Band Booster Kit (6000 sq ft)
Includes FlexPro 72dB Booster, Yagi Antenna, Panel Antenna and AC Adapter
- SCTRIVHO72YPKIT**** **4G TriFlex-V Yagi/Panel Kit** - 72dB Tri-Band Verizon Booster Kit (6000 sq ft)
Includes TriFlex-V 72dB Booster, Yagi Antenna, Panel Antenna and AC Adapter

GUARDIAN3 QR - Quick Response™

SureCall's latest innovation, the Guardian3 QR, is a tri-band bi-directional amplifier that services the full Public Safety 700 MHz (FirstNet Ready) and 800 MHz bands as well as 900 MHz SMR (Specialized Mobile Radio Service). The Guardian3 QR meets Chapter 24 of NFPA 72, 1221 and IFC 510 standards, improving weak First Responder signals for critical and non-critical areas within the building.

- SCTRIPSBS80QR** **80 dB Public Safety Band Amplifier** - 80dB Tri-Band Amplifier
Includes 80dB booster in NEMA 4 rated housing with N Female Connectors

SCMETER01

Signal Meter for 1930-1990 PCS; 869-894 Cellular; 2110-2155 AWS; 746-757 LTE and 728-746 LTE
Includes Right Angle Antenna, 9' and 24' SMA-Male to N-Male Connectors, 4 Rechargeable AAA Batteries, AC Mini-USB Power Supply

SCWS2

Full Band 2-Way Splitter covers PCS, Cellular, AWS and LTE band systems from 698 MHz to 2700 MHz

SCWS3

Full Band 3-Way Splitter covers PCS, Cellular, AWS and LTE band systems from 698 MHz to 2700 MHz

SCWS4

Full Band 4-Way Splitter covers PCS, Cellular, AWS and LTE band systems from 698 MHz to 2700 MHz

SCATNR5

5 Watt 5dB Attenuator operates from DC to 3GHz

SCATNR10

5 Watt 10dB Attenuator operates from DC to 3GHz

SCATNR20

5 Watt 20dB Attenuator operates from DC to 3GHz

SCDC12VSAB

12V 5 Amp DC Power Supply for Flex2Go and TriFlex3Go

SCAC6V2.8AB

6V 2.8 Amp AC Power Supply for FlexPro and Eflex

SCAC12V3.8AB

12V 3.8 Amp AC Power Supply for TriFlex, Fusion5, DualForce and CM2020

SCAC19V4.74AB

19V 4.7 Amp AC Power Supply for Force5

SC-100-S

Dual Band Outdoor Omni-Directional Antenna

800/850MHz Cellular & 1900MHz PCS Band. Includes pole mount (1-3/4") or flat mount bracket. 16" w/N Female connection

SC-100-L

Dual Band Outdoor Omni-Directional Antenna

800/850MHz Cellular & 1900MHz PCS Band. Includes pole mount (1-3/4") or flat mount bracket. 30" w/N Female connection

SC-288W

Wide-Band Outdoor Omni-Directional Antenna

Wide-Band Coverage. N Female connection

SC-222W

Wide-Band Indoor Dome Antenna

Wide-Band Coverage. N Female connection

SC-230W

Wide-Band Outdoor Yagi Antenna

Wide-Band Coverage. N Female connection

SC-232W

Wide-Band Outdoor Yagi Antenna -75 Ohm

Wide-Band Coverage. N Female connection

SC-248W

Wide-Band Indoor Panel Antenna

Wide-Band Coverage. N Female connection
