LICENSE PLATE MOUNTS

Night Vision!

SV5130iR

- Bar Mount Design - Easy Installation!
- 120° CMOS Swiveling Color Lens w/Distance Meter
- Infrared LED's For Night Vision
- Reverse Image Only
- Waterproof Construction

Night Vision!

SV5200iR

- Bar Mount Design & Adjustable Angle
- 180° Wide Angle CMOS Color Lens
- Infrared LED's For Night Vision
- Normal / Reverse Image Selectable
- Waterproof Construction

Night Vision!

SV5420iR

- Wide Angle Color Lens
- Vertical Lens Angle Adjustment
- Normal / Reverse Image Selectable
- Infrared LED's For Night Vision
- Waterproof Construction

SV5111

- Bar Mount Design - Easy Installation!
- 150° Wide Angle CMOS Color Lens
- 0.1 Lux Sensitivity For Low Light
- Reverse Mirror Imaging Built In
- Waterproof Construction

SURFACE / LIP MOUNTS

Night Vision!

SV6911iR

- IR LED's For Night Vision
- Wide Angle Color Lens w/1 Lux Sensitivity
- Normal Image Built In
- Waterproof Die Cast Construction

Night Vision!

SV6917iR

- Hanging Style Design w/360° Swivel
- IR LED's For Night Vision
- Wide Angle Color Lens w/1 Lux Sensitivity
- Normal Or Reverse Image Selectable
- Waterproof Die Cast Construction

Night Vision!

SV6919iR

- Side Mount Design - Can Be Reversed Left / Right
- 120° Wide Angle CCD Color Lens
- 0.1 Lux Sensitivity (Day)
- 0 Lux Sensitivity w/5m IR Distance
- Waterproof Die Cast Construction

Night Vision!

SV6704iR

- Flush Mount Design
- Bumper Angle Shims Included
- 120° Wide Angle Viewing
- LED's For Night Vision

SV6703

- Flat Surface Mount Design - Includes Hole Saw
- 170° Wide Angle Viewing w/Distance Meter
- Reverse Image Only
- 0.5 Lux Sensitivity
- Waterproof Construction

SV6818EM

- Flat Surface Mount Design - Includes Hole Saw
- 170° Wide Angle Viewing w/Distance Meter
- Normal or Reverse Image
- 1 Lux Sensitivity
- Waterproof Construction

MONITORS

SV8900QMii

- 7" Quad Monitor w/4 Camera Inputs
- Single, Dual, Triple, or Quad Image Viewing
- Fully Adjustable Mounting Bracket
- Built In Speaker
- Normal or Reverse Image Switching

SV8300HD

- 3.5" Ultra Thin LCD Monitor
