Smartphone apps are convenient intranet portals for quick access to Metra's parts, specs, product info, installation videos and more:

- Enables an easy search of not only Metra products, but its other brands as well.
- Allows dealers and customers to browse and filter parts by vehicle specifics such as make, model, year and trim.
- Lets dealers quickly place orders for parts - no online payment needed, Metra does the rest.
- Showcases Metra's latest product videos located on its YouTube channel.
