### HOMELINK® WIRELESS CONTROL SYSTEM

#### 60HMLKV5ALL

##### HomeLink w/3 Color Bezels

HomeLink®, the Wireless Control System that learns the codes for up to three remote control devices, is now newly redesigned offering more compatibility and an easier install. No more crowded visors with multiple remotes for garage door openers, security lights and entry gates. Now all these devices can be operated with dedicated buttons.

- Learns the codes for up to three remote devices
- Newly redesigned offering more compatibility and an easier install
- Activates Radio Frequency-controlled garage door openers, home automated lighting, gate openers, access entry door locks, and more
- Can be easily programmed for security, efficiency, and convenience
- Now includes Black, Grey and Tan bezels.
