

MM1 Series Subwoofers

Ultra-Marine Certified / IP56 Rating
 Non-Corrosive Fiberglass Reinforced Basket
 Vented Pole Piece & Basket Structure
 Composite Cone
 Waterproof Santoprene Surround

Integrated Fuses
 High Excursion Bump Stack Motor
 Glass Fiber Formers
 Oversize Multi Layered Voice Coils
 High Temperature Conex Spiders

MM1242DVC	12" Dual 4Ω Subwoofer - 420w RMS / 1260w Peak
MM1242SVC	12" Single 4Ω Subwoofer - 420w RMS / 1260w Peak
MM1042DVC	10" Dual 4Ω Subwoofer - 420w RMS / 1260w Peak
MM1042SVC	10" Single 4Ω Subwoofer - 420w RMS / 1260w Peak
MM842DVC	8" Dual 4Ω Subwoofer - 300w RMS / 900w Peak
MM842SVC	8" Single 4Ω Subwoofer - 300w RMS / 900w Peak

MM1 Series Speakers

Ultra-Marine Certified / IP56 Rating
 Non-Corrosive Fiberglass Reinforced Basket
 Compact Lightweight Neodymium Motor Structure
 Composite Cone
 Waterproof Santoprene Surround

Integrated Epoxy Coated Crossover
 Glass Fiber Former
 Oversize Multi Layered Voice Coil
 High Temperature Conex Spider
 Low Protrusion Pivoting 1" Terylene Tweeter

MM522	5-1/4" Coaxials - 100w RMS / 300w Peak
MM652	6-1/2" Coaxials - 100w RMS / 300w Peak
MM572	5 x 7" / 6 x 8" Coaxials - 100w RMS / 300w Peak
MM692	6 x 9" 3-Way Coaxials - 150w RMS / 450w Peak
MM6502	6-1/2" Components - 125w RMS / 375w Peak

The MM1 Series

MM1 is the next generation of our highly-acclaimed Mobile Monitor series—conceived, designed and engineered to deliver premium audio with unparalleled sonic detail and ultra-durable construction. It's the one crafted for full-on powerful sound, no matter what vehicle you're in.

DB Series Subwoofers

Marine Certified / IP56 Rating
Polypropylene UV Tolerant Cone
Waterproof Inner & Outer Surrounds
Slimmed Down Space-Saving Design

DB1242DVC	12" Dual 4Ω Subwoofer - 370w RMS / 1110w Peak
DB1242SVC	12" Single 4Ω Subwoofer - 370w RMS / 1110w Peak
DB1042DVC	10" Dual 4Ω Subwoofer - 350w RMS / 1050w Peak
DB1042SVC	10" Single 4Ω Subwoofer - 350w RMS / 1050w Peak
DB842DVC	8" Dual 4Ω Subwoofer - 250w RMS / 750w Peak
DB842SVC	8" Single 4Ω Subwoofer - 250w RMS / 750w Peak

DB+ Series Speakers

Marine Certified / IP55 Rating
Polypropylene UV Tolerant Cone
Waterproof Inner & Outer Surrounds
Zero Tweeter Protrusion

DB402	4" Coaxials - 45w RMS / 135w Peak
DB462	4 x 6" Coaxials - 40w RMS / 80w Peak
DB522	5-1/4" Coaxials - 100w RMS / 300w Peak
DB652	6-1/2" Coaxials - 100w RMS / 300w Peak
DB572	5 x 7" Coaxials - 75w RMS / 225w Peak
DB692	6 x 9" 3-Way Coaxials - 150w RMS / 450w Peak
DB6502	6-1/2" Components - 100w RMS / 300w Peak

The DB+ Series

Everything you love about Polk's Dynamic Balance technology—that rich, clean, full-range sound—is built into the marine-tough, yet ruggedly sophisticated, DB+ series. And with its universal fit, it can be installed in any vehicle: automobiles, motorcycles, boats, ATVs—you name it.
